She expected sunshine and balmy breezes. What she saw was everyone's worst nightmare.

Bess Grady has heard the unmistakable sound before. She knows what it means. But not even the eerie lament of the howling dogs can prepare her for what has taken place in the small village. Amid chaos and fear, she joins forces with an intimidating stranger, a man whose alliances are unclear but whose methods have a way of leaving bodies in his wake. For what she has witnessed is only the first stage in a plan of terror that may kill us all. And she has no choice but to stop it—or die trying....
