## **Guide to Midwifery: Questions with Answers** A. K. Sharma, etc.

It is a common experience that students who approach their examinations need materials which will help them to get through their examinations. Very often in such books the factor of practical usefulness is overlooked. In these pages featuring the treatment of various obstetrical problems, homeopathic medicines have been suggested along with their indications for practical use. This will enable the students not only to gain good knowledge about the subject but also to know the tools which they have got for applying the treatment of various problems in the field of obstetrics. The indications gleaned for the various drugs have been included on the basis of experience, and it is hoped that they will be found useful in practice.
