The mission of The United Methodist Church is to “make disciples of Jesus Christ for the transformation of the world.” In order to carry out this mission, The United Methodist Church has defined seven pathways of ministry: developing new churches, transforming existing congregations, ending racism through expanding racial and ethnic ministries, teaching the Wesleyan model of discipleship, strengthening clergy and lay leadership, reaching and transforming the lives of new generations, and eliminating poverty in community with the poor.

The United Methodist Council on Korean Ministries/Korean Ministry Plan has a vision to strengthen small group ministries for the local church to fulfill the mission of The United Methodist Church. The Korean Ministry Plan partnered with the National Association of Korean United Methodists to develop training material for small group ministry leaders that incorporated both Wesleyan tradition and Korean spirituality. This material was developed with the purpose of leading churches to confess Jesus Christ as Lord and for individuals to realize their individual spiritual gifts so that they could serve the local church and community better. Thus, we United Methodists may be disciples of Jesus Christ who experience the power of the Holy Spirit to transform the world.

We welcome you into this journey of discipleship in small group ministry. We are genuinely looking forward to meeting you. ?Bishop Hee-Soo Jung, President of the Korean Ministry Plan
