IN HIS PROTECTIVE CUSTODY

Despite the fringe benefits of watching over Nicola Barrington, her covert "bodyguard" itched to get back into the fray. Assigned to the elite Special Designation Defense Unit, Alex Rodriguez leaped into action after a disarming moment of smoldering attraction paved the way for a sniper's lethal ambush. Seeking cover from a spray of bullets, Alex and Nicola sped away with trigger-happy assailants hot on their trail. But the danger was far from over. The senator's daughter was a pawn in a diabolical international terrorist attack that could topple the U.S. government. Even with gunshots exploding around them and feverish passion racing through their veins, this Shadow Soldier wasn't about to let his country?or *his woman*—down!
