Shift: The Guided Trip Premium Edition eBook (Gate of Orpheus Trilogy) Tim Kring, Dale Peck
Includes five never-before-seen bonus chapters, plus detailed authors' notes revealing the stories behind *Shift's* most fascinating people, places, and events

A new caliber of thriller set at the collision of '60s counterculture and the rise of dark forces in world government. *Heroes* creator Tim Kring injects history with a supernatural, hallucinogenic what-if.

Set in the crucible of the 1960s, *Shift* is the story of Chandler Forrestal, a man whose life is changed forever when he is unwittingly dragged into a CIA mind-control experiment. After being given a massive dose of LSD, Chandler develops a frightening array of mental powers. With his one-in-a-billion brain chemistry, Chandler's heightened perception uncovers a plot to assassinate President Kennedy.

Propelled to prevent the conspiracy of assassination and anarchy, Chandler becomes a target for deadly forces in and out of the government and is pursued across a simmering landscape peopled by rogue CIA agents, Cuban killers, Mafia madmen, and ex-Nazi scientists . . . all the while haunted by a beautiful woman with her own scandalous past to purge, her own score to settle. Chased across America, will Chandler be able to harness his "shift" and rewrite history?

Combining the nonstop style of Ludlum with the sinister, tangled conspiracies of DeLillo and Dick, and featuring cameos from Lee Harvey Oswald to Timothy Leary to J. Edgar Hoover, *Shift* is a thriller guaranteed to be equal parts heart-stopping and thought-provoking.
