Angel Hugs for Cancer Patients LaDonna Meinders

Even though the body may be sick, cancer can never destroy the spirit. In these thirty-one reflections, LaDonna Meinders-herself a cancer patient-shares the scriptures, stories, and experiences that have given her strength and transformed her life through this most difficult time. She shows us that we need to care for our spirit, as well as our body, that we can find and give comfort in the simplest forms, and that there is something to be grateful for in every day. Each reflection offers a scripture passage of solace and guidance, stories and thoughts of encouragement and spiritual growth, an inspiring quote, and a prayer.
