S.: A Novel about the Balkans Slavenka Drakulic

"**S.** may very well be one of the strongest books about war you will ever read. . . .The writing is taut, precise, and masterful."

Set in 1992, during the height of the Bosnian war, **S.** reveals one of the most horrifying aspects of any war: the rape and torture of civilian women by occupying forces. **S.** is the story of a Bosnian woman in exile who has just given birth to an unwanted child—one without a country, a name, a father, or a language. Its birth only reminds her of an even more grueling experience: being repeatedly raped by Serbian soldiers in the "women's room" of a prison camp. Through a series of flashbacks, **S.** relives the unspeakable crimes she has endured, and in telling her story—timely, strangely compelling, and ultimately about survival—depicts the darkest side of human nature during wartime.

Leroy Ange:

With this era which is the greater man or woman or who has ability to do something more are more special than other. Do you want to become one of it? It is just simple approach to have that. What you should do is just spending your time almost no but quite enough to possess a look at some books. Among the books in the top list in your reading list is actually S.: A Novel about the Balkans. This book which is qualified as The Hungry Hillside can get you closer in becoming precious person. By looking upwards and review this publication you can get many advantages.

Donald Diaz:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this S.: A Novel about the Balkans can make you experience more interested to read.
