## **The Spirit of Getting Organized: 12 Skills to Find Meaning and Power in Your Stuff** Pamela Kristan

On one level, *The Spirit of Getting Organized* is about sorting papers and using file folders. But, there's more to life than a neat office. After years in the field of professional organizing, Pamela Kristan realized that organizing was a doorway, an opportunity to find personal power and meaning.

Organizing is an intimate encounter with life's everyday details that has the power to engage us profoundly with our soul, with our world, and with the farthest reaching, grandest patterns of Nature. Rather than pulling us away from spiritual work with mundane chores, organizing can draw us into the cosmos.

Including pages for recording observations and exercise results, as well as a vast section of resources for developing order both internally and externally, *The Spirit of Getting Organized* can transform a dreadful chore like cleaning out your closet into an opportunity for an intimate encounter with your true self.
