The Spy of the Heart

Robert Abdul Hayy Darr

The Spy of the Heart Robert Abdul Hayy Darr

Exploring the doctrines and practices of contemporary Islamic spirituality in Afghanistan, this book draws the reader into the complex world of Sufism, the mystical dimension of Islam. Because of its long history of metaphysical and theological inquiry, Sufism has over the centuries developed a religious sophistication that offers an alternative to militant and literalist Islam. The narrative and personal descriptions of the people and cultures of rural Afghanistan allow readers to better understand the positive aspects of Islam and to feel the depths of Afghan yearning and sorrow after decades of war.
