Shelley Unbound: Discovering Frankenstein's True Creator

Scott D. de Hart

Shelley Unbound: Discovering Frankenstein's True Creator Scott D. de Hart

Frankenstein was first released in 1818 anonymously.

The credit for Mary Wollstonecraft Shelley's authorship first occurred in 1823 when a French edition was published. A year earlier, Mary's revolutionary husband, the influential poet, dramatist, novelist, and essayist Percy Bysshe Shelley, died.

The same year *Frankenstein, or, The Modern Prometheus* (its full title) was first published, so was another work by Mary's husband that shares use of the word Prometheus. The drama *Prometheus Unbound* was indeed credited to Percy Shelley.

The secret admission of many experts in English literature is that Mary Wollstonecraft Shelley did not write a good portion of *Frankenstein*. In *Shelley Unbound*, Oxford scholar Scott D. de Hart examines the critical information about Percy Shelley's scientific avocations, his disputes against church and state, and his connection to the illegal and infamous anti-Catholic organization, the Illuminati.

Scott D. de Hart's fascinating investigation into *Frankenstein* and the lives of Mary Wollstonecraft and Percy Shelley results in an inconvenient truth regarding what we have long believed to be a great early example of the feminist canon.

Scott D. de Hart was born and raised in Southern California. He graduated from Oxford University with a PhD specializing in nineteenth-century English literature and legal controversies.
