The Basques: Their Struggle for Independence Luis Nunez Astrain

Now back in print, this book explains why the Basque Country has not been officially recognized, why it is politically divided, and why there is discrimination against its language. The book describes the two-fold response of the country itself, first of all in the creation of the Partido Nacionalista Vasco (The Basque Nationalist Party), and then of Euskadi Ta Askatasuna, otherwise known as ETA. The book traces the political, cultural, and linguistic history of the Basque people and their struggle for independence from the Spanish and French States.
