He might be hard to work for, but he's impossible to resist.

Sasha Sobieski has the perfect job working at legendary American fashion house Harrison Kingsley - or at least he used to. He just never thought he'd have to work for Harrison Kingsley himself. Harrison is exacting, difficult, cold, and hands-down the sexiest man Sasha has ever seen.

After years at the top, Harrison Kingsley knows what he wants, when he wants it, and exactly how he'd like it to be delivered to him. What he wants most right now? His new assistant. Sasha is mouthy, opinionated, and he drives Harrison mad. Problem is, Harrison can never tell if it's with anger...or desire.
