A Theory of Fairness and Social Welfare (Econometric Society Monographs) Marc Fleurbaey, François Maniquet

The definition and measurement of social welfare have been a vexed issue for the past century. This book makes a constructive, easily applicable proposal and suggests how to evaluate the economic situation of a society in a way that gives priority to the worse-off and that respects each individual's preferences over his or her own consumption, work, leisure and so on. This approach resonates with the current concern to go 'beyond the GDP' in the measurement of social progress. Compared to technical studies in welfare economics, this book emphasizes constructive results rather than paradoxes and impossibilities, and shows how one can start from basic principles of efficiency and fairness and end up with concrete evaluations of policies. Compared to more philosophical treatments of social justice, this book is more precise about the definition of social welfare and reaches conclusions about concrete policies and institutions only after a rigorous derivation from clearly stated principles.

From reader reviews:

Christopher Olsen:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each publication has different aim or perhaps goal; it means that guide has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they take because their hobby is reading a book. Think about the person who don't like reading a book? Sometime, particular person feel need book whenever they found difficult problem or perhaps exercise. Well, probably you will need this A Theory of Fairness and Social Welfare (Econometric Society Monographs).

John Espitia:

In this 21st millennium, people become competitive in every way. By being competitive at this point, people have do something to make these survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that often many people have underestimated this for a while is reading. Yeah, by reading a e-book your ability to survive increase then having chance to stay than other is high. For you who want to start reading the book, we give you that A Theory of Fairness and Social Welfare (Econometric Society Monographs) book as beginning and daily reading reserve. Why, because this book is greater than just a book.

Cheree Kramer:

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this A Theory of Fairness and Social Welfare (Econometric Society Monographs).

Thomas Garrett:

People live in this new time of lifestyle always try to and must have the spare time or they will get lot of stress from both everyday life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we consult again, what kind of activity do you possess when the spare time coming to you of course your answer will certainly unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, often the book you have read is A Theory of Fairness and Social Welfare (Econometric Society Monographs).
