Fight, F--k, Love: An Erotic Gay Fantasy K. Windsor

Fight. F--k. Love. Those are the three things Richard and Tim are good at, although not necessarily in that order. As far as Tim's concerned, every moment together has been one they've had to fight for. The make-up sex is out of this world, but can that really be enough to sustain a relationship? Will this six-year relationship end on a bang or a whimper - or both?

This is an explicit erotic short story. It contains graphic language and sexual themes. It is meant only for adults who are interested in this type of material for listening in jurisdictions where its sale and enjoyment does not violate any local laws.
