Hand Drawn Jokes for Smart Attractive People Matthew Diffie **An NPR Best Book of 2015**

Finally, a book that's not for everyone! From award-winning *New Yorker* cartoonist Matthew Diffie—editor of *The Rejection Collection* and the “de facto leader of a young generation of cartoonists” (*The Wall Street Journal*)—a hilarious mix of cartoons, visual riffs, and illustrated one liners that will appeal to anyone who is beautiful and intelligent.

For almost fifteen years, Matthew Diffie's uniquely funny single-panel cartoons have gussied up the pages of *The New Yorker*, winning him countless fans, big shot friends, and a pile of hilarious material he's never used. Yet shockingly, a small sector of the population is not enamored with his work. Diffie has met some of these people and reports that they are, without exception, dumb and ugly, whereas the people who enjoy his work are just the opposite. In fact, the smarter and more attractive people are, the more they tend to appreciate Diffie's humor. This book is for them.

This collection contains Diffie's funniest drawings and writings from the past decade as well as all-new cartoons and sketches organized into categories that will appeal to smart attractive people in all walks of life, based on profession and circumstance: smart attractive Medical Professionals, sharp and good-looking Old People; beautiful geniuses in Prison; brainy handsome Lumberjacks; and more. Are you an alluring well-read utensil user? Well, there's a chapter just for you!

If you're a fan of Demetri Martin and Jack Handey, or if you happen to be George Clooney or Natalie Portman, *Hand Drawn Jokes for Smart Attractive People* will leave you laughing your smart attractive ass off.
