Syria Speaks: Art and Culture from the Frontline

In Syria, culture has become a critical line of defence against tyranny. Syria Speaks is a celebration of a people determined to reclaim their dignity, freedom and self-expression. It showcases the work of over fifty artists and writers who are challenging the culture of violence in Syria. Their literature, poems and songs, cartoons, political posters and photographs document and interpret the momentous changes that have shifted the frame of reality so drastically in Syria. Moving and inspiring, Syria Speaks is testament to the courage, creativity and imagination of the Syrian people. 'Syria Speaks is a remarkable achievement and a remarkable book – a wise, courageous, imaginative and beautiful response to all that is ugly in human behaviour. This extraordinary anthology gives a voice to those we may have forgotten, or whom we may classify as simply passive and silent victims. The people shown living, dreaming and speaking here are far more than victims and only silent if we refuse to hear them.' A.L. Kennedy 'An extraordinary collection, revealing a dynamic and exciting culture in painful transition – a culture where artists are really making a difference ... You need to read this book.' Brian Eno
