Tales from the Torrid Zone: Travels in the Deep Tropics (Vintage Departures) Alexander Frater

Alexander Frater was born to a family of Scottish expatriates on the tiny island of Irikiki in the South Seas. Following his dreams of being a writer, Frater left home, but the call of the tropics compelled him to return again and again. Join him as he dines with the Queen of Tonga; makes his way through two civil wars; visits the spots where surfing and bungee jumping originated; and expresses his love for the region where he is at once a tourist, explorer, adventurer, and native son. From Tahiti to Thailand, Mexico to Mozambique, Frater gives us a richly described, endlessly surprising picture of this diverse, feverish, languorously beautiful world.

From the Trade Paperback edition.
