***Krav Maga: Real World Solutions to Real World Violence* presents a no-nonsense approach to neutralizing attackers in close quarters.**

Author Gershon Ben Keren explains the philosophy behind the Krav Maga method, which is the basis of the Israel Defense Force's (IDF) devastating close combat system. This book lays out a systematic approach to self-defense and provides illustrated confrontation scenarios paired with tailored practical responses.

Accompanied by clear, easy-to-follow photographs, practical combat skills are described in step-by-step detail, along with the movement patterns needed to make them effective in real-life settings. All of the photos in the book were shot in real-time, demonstrating what realistic movements—both from the attacker's and defender's perspective—look like.
