**All You Need to Know About Action Research** Jean McNiff, A Jack Whitehead

What is action research? Why do action research? When should you use action research?

In the second edition of *All You Need to Know about Action Research*, expert practitioners Jean McNiff and Jack Whitehead guide you through everything you need to know to plan and carry out a successful action research project.

The book provides:

- A guide to the history and philosophy underpinning action research
- Comprehensive coverage of the main theoretical debates in action research
- A unique understanding of how action research can help your learning and your professional practice
- Practical help in planning your project
- Help with writing about your research and disseminating your findings.

The second edition has been thoroughly updated throughout, and now includes new real-life case studies from Education, Health and Business. A new chapter on reviewing the literature has been added and the sections on data gathering and analysis have been updated to take into account the latest technological advances.

This easy-to-follow overview of action research is essential reading for students, practitioners and seasoned researchers alike.
