Black Power: Politics of Liberation in America

Charles Hamilton, Kwame Ture

Black Power: Politics of Liberation in America Charles Hamilton, Kwame Ture

In 1967, this revolutionary work exposed the depths of systemic racism in this country and provided a radical political framework for reform: true and lasting social change would only be accomplished through unity among African-Americans and their independence from the preexisting order. An eloquent document of the civil rights movement that remains a work of profound social relevance 25 years after it was first published.

From the Trade Paperback edition.
