Most crafters are guaranteed to have a “stash” of lovingly collected fabric scraps hoarded away in anticipation of the perfect project. However, in reality, many crafters need inspiration as to what they can actually make with these pieces of fabric, and end up watching guiltily as their stash grows ever larger and more disorganized. Providing the perfect solution to the common crafter’s complaint— 'what can I do with my stash?!' *Pajaritos de tela* offers creative inspiration and easy-to-follow tutorials that are suitable for sewers of all levels. Crafters will fall in love with the charmingly simple illustrations. A selection of standard pattern templates is included at the back of the book, providing readers with a valuable additional resource.
