Rapid Interpretation of Balance Function Tests

Michael J. Ruckenstein, Sherrie Davis

Rapid Interpretation of Balance Function Tests Michael J. Ruckenstein, Sherrie Davis

This book provides professionals who treat patients with balance disorders with an easy-to-read and practical manual for how to interpret and understand balance function testing. A variety of health care professionals, including otolaryngologists, neurologists, primary care physicians, audiologists, and physical therapists will benefit from this book. This text will serve as a simple and straightforward text that explains what you need to know about these tests. Included are: indications for balance function testing, what these tests can and cannot reveal, the basics on how they are performed, and how they are interpreted. A section called 'Putting it all together' gives sample test results and their interpretations. The included DVD illustrates the case examples
