Hitler's Cross: How the Cross Was Used to Promote the Nazi Agenda

Erwin W. Lutzer

Hitler's Cross: How the Cross Was Used to Promote the Nazi Agenda Erwin W. Lutzer

The story of Nazi Germany is one of conflict between two saviors and two crosses.

“*Deine Reich komme,*” Hitler prayed publicly—“Thy Kingdom come.” But to whose kingdom was he referring?

When Germany truly needed a savior, Adolf Hitler falsely assumed the role. He directed his countrymen to a cross, but he bent and hammered the true cross into a horrific substitute: a swastika.

Where was the church through all of this? With a few exceptions, the German church looked away while Hitler inflicted his “Final Solution” upon the Jews. *Hitler’s Cross* is a chilling historical account of what happens when evil meets a silent, shrinking church, and an intriguing and convicting *exposé* of modern America’s own hidden crosses.

Erwin W. Lutzer extracts a number of lessons from this dark chapter in world history, such as:

- The dangers of confusing church and state
- The role of God in human tragedy
- The parameters of Satan's freedom

Hitler's Cross is the story of a nation whose church forgot its call and discovered its failure way too late. It is a cautionary tale for every church and Christian to remember who the true King is.
