**Managing the Project Team: The Human Aspects of Project Management, Volume Three: 3** Vijay K. Verma

Managing the Project Team is Vijay Verma's powerful third installment in The Human Aspects of Project Management Series.

Here, Verma shares the key to success- developing and sustaining a project team until project completion, while working interdependently in a climate of mutual trust, respect and win-win beliefs. This book will help readers understand the stages of team development, build strong project teams, select, organize and prepare a team for success, and develop a matching skill and responsibility matrix. After reading this book, project leaders should feel confident in their abilities to facilitate open and effective communication, develop trust and motivation, and develop appropriate styles and strategies to suit any project.
