Jeepers peepers! Cassie's class hatched chicks at school, and Cassie gets to bring them home for the weekend to share with her family. The chicks are very cute, but will need a lot of attention . . . which Marley soon finds out.

While Cassie is out of the house on a playdate, leaving Marley to babysit, the chicks get loose from their cage and begin to run around the house! Can Marley round up the chicks before Cassie gets back, or will the temptation to have a playdate of his own be too great for him to resist? Find out in this lively Marley I Can Read!
