**De mecánica y alquimia (COLECCIÓN PÚRPURA) (Spanish Edition)** Juan Jacinto Muñoz Rengel  
De la investigación de un enigma en el Toledo musulmán a la legendaria construcción del reloj de Praga, de las visiones apocalípticas de un ayudante de alquimista a las ficciones futuristas de un escritor en el Londres victoriano, en este volumen el lector encontrará clepsidras y gólems, autómatas y pájaros mecánicos, azufre y melodías; historias que se trenzarán a través del tiempo en inesperadas relaciones hasta desvelarnos su misterio. Juan Jacinto Muñoz Rengel, uno de los mayores especialistas del relato en España, nos muestra con estas ficciones la gran calidad de su escritura y su capacidad para enhebrar once artefactos con la precisión de un maestro relojero. En definitiva, las razones que han hecho de él uno de los autores de cuento más galardonados de este país.
