Mom and Dad Are Palindromes Mark Shulman

Bob has a problem. He's a palindrome. In fact, once he learns what a palindrome is, he starts finding palindromes everywhere: his little sis, Nan; his pup, Otto; even his Mom and Dad! It's making Bob feel like a kook. Is there no escape? Mark Shulman and Adam McCauley have joined forces to create a wonderfully visual, ridiculously clever book of wordplay. Join the hilarity. . . do your civic deed, don't let your pupils slip up, and find the over 101 palindromes hiding in the words and pictures of this zany book. Plus, this is the fixed-format version, which looks almost identical to the print edition.
