Murder on the Champ de Mars (An Aimée Leduc Investigation Book 15) Cara Black

A dying woman has secret about the unsolved murder of Parisian P.I. Aimée Leduc's father, but is kidnapped before she can reveal it

Paris, April 1999: Aimée Leduc has her work cut out for her—running her detective agency and fighting off sleep deprivation as she tries to be a good single mother to her new *bébé*. The last thing she has time for now is to take on a personal investigation for a poor *manouche* (Gypsy) boy. But he insists his dying mother has an important secret she needs to tell Aimée, something to do with Aimée's father's unsolved murder a decade ago. How can she say no?

The dying woman's secret is even more dangerous than her son realized. When Aimée arrives at the hospital, the boy's mother has disappeared. She was far too sick to leave on her own—she must have been abducted. What does she know that's so important it's worth killing for? And will Aimée be able to find her before it's too late and the medication keeping her alive runs out?

From the Trade Paperback edition.
