Second Sight

Second Sight Neil M. Gunn

A novel set in a Highland shooting lodge, where the focus is a hunt in a remote deer forest; but this is no ordinary thriller. Featured is the lodge party of wealthy English people, a team of Highland stalkers, a legendary stag to be hunted and a background of glen and corrie, shrouded from time to time by impenetrable mist. Culture and personality clashes and mystery, which portend much deeper clashes between spiritual and material values, provide a vastly enjoyable read.
