Brains: A Zombie Memoir

Robin Becker

Brains: A Zombie Memoir Robin Becker

“A witty and unexpected take on the zombie genre; I had a great time.”

—Charlaine Harris, #1 *New York Times* bestselling author of the Sookie Stackhouse novels<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

Subtitled “A Zombie Memoir,” *Brains* looks at America’s favorite walking-dead flesh-eaters from an audaciously original and deliciously gruesome new perspective. Debut author Robin Becker blazes new ground with this story of former college professor-cum-sentient zombie Jack Barnes, who recounts the tale of the resistance he organized in the wake of the recent zombie apocalypse. *World War Z; Shaun of the Dead; Pride, Prejudice, and Zombies...* Becker tops them all with *Brains*—a witty, tasty treat for anyone who every spent a midnight glued to a classic George A. Romero zombie epic!

James Soltero:

Don't be worry when you are afraid that this book may filled the space in your house, you will get it in e-book technique, more simple and reachable. This specific Brains: A Zombie Memoir can give you a lot of close friends because by you investigating this one book you have thing that they don't and make you actually more like an interesting person. This kind of book can be one of a step for you to get success. This publication offer you information that maybe your friend doesn't know, by knowing more than various other make you to be great persons. So , why hesitate? Let's have Brains: A Zombie Memoir.

Mary Ruch:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Brains: A Zombie Memoir can make you really feel more interested to read.
