Now in its sixth edition, *Clinical Periodontology and Implant Dentistry* is the must-have resource for practitioners specialising in periodontal care and implant dentistry. The chapters have been extensively revised with 40% of the content new to this edition. Maintaining the widely praised two-volume format introduced in the previous edition, the editorial team has once again brought together the world's top international specialists to share their expertise on all aspects of periodontology, periodontal health and the use of implants in the rehabilitation of the periodontally compromised patient. Seamlessly integrating foundational science, practical clinical protocols, and recent advances in the field, *Clinical Periodontology and Implant Dentistry, Sixth Edition* enhances its stellar reputation as the cornerstone reference work on periodontology.
