"Devastated by the deaths of his wife and daughter - and even more crushed by the government secrecy surrounding their demise - Rick Morrow sets out on a quest to learn the truth behind his family's tragic end. He's joined in his mission by the unsuspecting Nikolette Allen, who helps him decipher a series of clues that eventually lead them to an even more disturbing revelation: that their very own government is actively involved in the proliferation of torture and sex slavery. Despite the dark, sinister truths they uncover along the way, what ultimately awaits Rick and Nikolette is a shocking twist neither of them could ever imagine."
