Despite its title, this is not just a Union Pacific pictorial (although there is plenty of UP) -- it is a wonderful collection of crisp, full color photos of most of the Western railroads as well as several street railway systems. Taken by author over the course of forty years, there is perfect mix of both steam and diesel locomotives in action from a truly varied mix of railroads, most now "fallen flags": the Burlington, Rock Island, Milwaukee Road, DRGW, the Soo Line, Illinois Central and many others. 207 pages.
