All sleepers will adore Buglette—a tidy little bug by day, a messy little sleeper at night. That's when she tosses and turns and kicks and flips while she dreams of doing BIG things like building mountains and kicking balls over the moon. Her quirky habit annoys her family—after all, what if her messy sleeping wakes the scary crow?—until her big dreams help her to save the day. Whimsical watercolor illustrations of a ladybug family and an endearing story about being different, dreaming big, and learning to be brave will appeal to children with wild imaginations—messy sleepers or not.
