How do you improve your life and also make a positive contribution to others? Harry asked this question of some of the most creative thinkers and highest achievers of our times – including Sir Richard Branson, James Caan, Gregg Braden, Larry Dossey, and Peter Buffet. In this, the film's companion book, he has distilled their answers down to three core strategies for success: seek to understand your world, attract with a harmonious purpose, and, as Gandhi famously said, be the change you want to see in the world.
