USMLE Road Map Neuroscience, Second Edition: Neuroscience (LANGE USMLE Road Maps) James S. White

USMLE Road Map: Neuroscience presents a concise and focused examination of the essential concepts for students in Medical Neuroscience. The outline is enhanced with an extensive and original illustration program that visually conveys the essential information and promotes retention of the material. Features such as clinical correlations and clinical problems are also included. The book helps you be better prepared for the USMLE exam and aids you in programs where there is no traditional neuroscience course.
