## **The code of silence has been broken**

For this anthology, vampire Michelle Belanger convinced nearly two dozen real-life vampires to break the code of silence that has kept their fascinating subculture shrouded in secrecy.

Sometimes provocative, sometimes surprisingly down-to-earth, these candid firsthand accounts come from both psi vampires who feed on energy and sanguine vampires who drink actual blood. Their true stories shed light on a variety of topics, including awakening to vampirism, the compulsion to feed and feeding practices, donor ethics and etiquette, and vampire traditions and codes of behavior.
