Exemplary Novellas Cervantes

"Michael Harney's translation of Cervantes's *Novelas ejemplares* is the most authoritative and accurate rendering of Cervantes's classic tales to date and promises to be the translation against which future translations will be measured. Harney skillfully portrays the nuanced and complex world of the *Exemplary Novellas* in a translation that is faithful to the letter and spirit of the original. An erudite and informative Introduction presents a general overview of sixteenth- and seventeenth-century Spain, the life of Cervantes, and a detailed analysis of the Exemplary Novellas. Before each story, Harney provides a brief synopsis, an analysis of the novella's themes, motifs, and generic affinities, and a bibliography for further reading. In addition, numerous footnotes complement the background information Harney provides in the Introduction and prior to each novella."
