This inductive study of the book of Isaiah enables readers to observe and interpret the prophet's message and apply it to their own lives. The brief daily exercises provide the tools readers need to mark key words, list important insights, interrogate the text, and discover life answers for themselves. Experienced Bible students and beginners alike will enjoy discovering how they, like Isaiah, can stand strong in the face of attack, persevere in a faithful walk with God, and claim the tremendous promises He has provided.
