Tanya González, Michael Sauers

Humor and Latina/o Camp in Ugly Betty: Funny Looking (Critical Studies in Television) Tanya González, Michael Sauers

Humor and Latina/o Camp in Ugly Betty: *Funny Looking* expands the vista of critical approaches to comedy and representational politics on mainstream television from an interdisciplinary Latina/o studies approach. González and Rodríguez y Gibson examine how *Ugly Betty* uses humor and Latina/o camp to reframe socially charged issues on the show: representations of masculinity and familia, immigration, drag and queer subjectivities, Latina sexuality, and finally, a Latina feminist critique of the American Dream. *Ugly Betty* moves beyond the binaries of traditional representational politics and opens a vista of critical possibility applicable to all mainstream texts that portray people of color through comedy. This work will be of interest to scholars in media studies, Latina/o studies, and communication studies.
