**The Sky Over Lima** Juan Gómez Bárcena

**“Refreshing, comic, and sublime...The conquest in this novel, a game played by one writer and his readers, captivates, drawing us in through the seductive power of a monumental young author.”**

**—Laura Esquivel, bestselling author of *Like Water for Chocolate* and *Malinche***

**“Intoxicating...I’ll be thinking of these characters, what they longed to create and what they managed to despoil, for a long time.” —Helen Oyeyemi**

**A retelling of a fantastical true story: two young men seduce Nobel laureate Juan Ramón Jiménez with the words of an imaginary woman and inspire one of his greatest love poems.**

José Gálvez and Carlos Rodríguez are poets. Or, at least, they’d like to be. Sons of Lima’s elite in the early twentieth century, they scribble bad verses and read the greats: Rilke, Rimbaud, and, above all others, Juan Ramón Jiménez, the Spanish Maestro. Desperate for Jiménez’s latest work, unavailable in Lima, they decide to ask him for a copy.

They’re sure Jiménez won’t send two dilettantes his book, but he might favor a beautiful woman. They write to him as the lovely, imaginary Georgina Hübner. Jiménez responds with a letter and a book. Elated, José and Carlos write back. Their correspondence continues, as the Maestro falls in love with Georgina, and the boys abandon poetry for the pages of Jiménez’s life.
