## **Magia de cerca vol. 2 (Spanish Edition)** Lewis Ganson

Lewis Ganson escribió una segunda parte de 'Close up Art Magic' en el que se recogen excelentes trucos de magia de mesa sin cartas. Al terminar de leer el primer volumen podía parecer imposible una segunda obra cuyo contenido y valor mágico pudiera, tan sólo compararse a dicho primer tomo. Concluida la lectura de este segundo volumen no se hecha en falta la existencia del primer tomo. Es el mejor elogio. Lewis Ganson nos embebe con la descripción de los efectos de tal modo que parece que los estamos viendo. Sus amplios conocimientos mágicos. Su amistad con los mejores magos mundiales y sus excepcionales dotes de escritor-mago han hecho posible la obra que presentamos. La magia que contiene es excelente, de una efectividad tremenda y de ejecución simple. En el primer tomo predominó la técnica. Aquí, la efectividad. Buena magia, excelente magia, y bien descrita.
