**Jack Crabb is back with another gleeful romp through the Old West**

Jack Crabb is now 112 years old, and he isn't done spinning yarns. In this sequel to Berger's beloved novel *Little Big Man*, one of literature's wildest survivors continues his breathtaking tall tales of the Old West.

Crabb claims to have witnessed most of the great historical events of the western frontier: hiding behind a wagon after a drunken Doc Holliday provokes the shootout at the OK Corral; joining Buffalo Bill Cody and Annie Oakley on tour with their international Wild West show; even taking tea with Queen Victoria when she came out of seclusion after a quarter century. No matter where Crabb lays his hat, he keeps his wizened, wry, and sharp commentary at the ready. *The Return of Little Big Man* is a sidesplitting novel of surprising emotional depth.

This ebook features an all-new introduction by Thomas Berger, as well as an illustrated biography of the author including rare images and never-before-seen documents from his personal collection.
