Alien in My Pocket #4: On Impact! Nate Ball

This must-read Alien in My Pocket book is the fourth in the series by Nate Ball, the host of PBS's *Design Squad* and *Design Squad Nation*. In this hilarious new adventure, Zack and his alien friend, Amp, learn about friction, deceleration, and how to soften a crash-landing.

When Zack McGee crashes his bike, he's stuck at home with his arm in a sling and his baseball season on the line. What's worse, his bike crashed because his four-inch-tall houseguest, Amp, experimented on the brakes! Now Zack is easy prey for his little brother, Taylor, who's determined to find out once and for all what mysteries Zack has hidden in his pocket.

Like every book in the Alien in My Pocket series, *On Impact!* mixes Common Core-aligned science and safe, hands-on experiments with a hilarious story that young readers will love.

Publishers Weekly said of *Alien in My Pocket: Blast Off!*: "With its screwball comedy and lively dialogue, the novel gives readers the opportunity to laugh as they learn."

Supports the Common Core State Standards
