El futuro de Cuba existe (Spanish Edition) Elena Ferro

El Futuro de Cuba existe fue escrito entre los años 2005 y 2006. La idea nació casi por casualidad, como jugando: como ciudadana honoraria de la Provincia de La Habana sentía la exigencia de comunicar al mayor número posible de personas como era la realidad de ésta tierra, mas allá de la propaganda política (que además me ha visto protagonista cuando he tenido la oportunidad) y de las noticias parciales, que nos llegan de aquel pueblo, obstinado como es el mundo en el censurar, en el esconder, en el interpretar a modo suyo la vida, los valores, las ideas de gente que no se deja homologar a la cultura dominante.

Y esto, se tenga bien en consideración, no es un valor en sí mismo. Lo es cuando resistir a la indiferenciación se vuelve un modo para proclamar con fuerza el derecho a la propia diversidad, a la posibilidad de existir, a la libertad de todos los pueblos decidir el propio futuro.

Este libro de viajes hoy sigue siendo muy actual, particularmente después de el abandono de la vida política activa de Fidel en favor de su hermano Raúl y las recientes declaraciones de el Presidente de Los EEUU Obama al final del 2014.

Lo que vi y describo en este diario confirma la fuerza radicada en la identidad de un pueblo que condujo Cuba hasta el día de hoy. Un pueblo determinado y convencido que da testimonio que otro mundo es posible. El futuro de Cuba existe porque su historia y su presente viven.

From reader reviews:

Alicia Wescott:

What do you concentrate on book? It is just for students since they are still students or this for all people in the world, the particular best subject for that? Just you can be answered for that query above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great and important the book El futuro de Cuba existe (Spanish Edition). All type of book can you see on many solutions. You can look for the internet methods or other social media.

Eloisa Hurd:

Now a day people that Living in the era just where everything reachable by connect to the internet and the resources inside can be true or not need people to be aware of each facts they get. How many people to be smart in having any information nowadays? Of course the solution is reading a book. Looking at a book can help people out of this uncertainty Information specifically this El futuro de Cuba existe (Spanish Edition) book as this book offers you rich details and knowledge. Of course the info in this book hundred percent guarantees there is no doubt in it you may already know.

Mary West:

The reason why? Because this El futuro de Cuba existe (Spanish Edition) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will surprise you with the secret it inside. Reading this book next to it was fantastic author who have write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your proficiency and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the guide store hurriedly.

Mildred Brummett:

Would you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you find out the inside because don't assess book by its cover may doesn't work this is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer can be El futuro de Cuba existe (Spanish Edition) why because the wonderful cover that make you consider with regards to the content will not disappoint you. The inside or content is usually fantastic as the outside or cover. Your reading 6th sense will directly direct you to pick up this book.
