Seven days to reclaim the only woman he's ever needed

Graedon Clegg has misgivings about a weeklong retreat at a remote country estate organized by his estranged brother. One, his brother can't be trusted. And two, it's hosted by his ex-wife, Tielle. Grae was forced to walk away from Tielle for the sake of the family advertising business. But he still burns for the vibrant woman who could always bring out the very best in him.

Tielle stubbornly refuses to believe that the Clegg brothers can't work things out, and she's delighted to finally help heal their family. Having powerful, handsome Grae around again is painful yet exciting and tempting. Grae and Tielle honeymooned at this same hideaway before. Will their new time together rekindle the romance they once shared, in the place where it all began?
