Raising a Modern-Day Princess Pam Farrel, Doreen Hanna

In the same tradition as *Raising a Modern-Day Knight*, this book is designed to equip parents to cultivate strong relationships with their adolescents. *Raising a Modern-Day Princess* stresses the importance of creating a rite of passage for teen girls—a defining moment in which girls can be blessed by significant adults in their lives, and a call for their families and communities to celebrate and support them as they enter womanhood. This book offers practical help in raising a generation of women to see themselves as God sees them—as daughters of the King.
