From Book 1: "Serendipity is a funny, sexy story with exactly the right mix of sass and heart." Susan Mallery, New York Times Bestselling Author

Carly's NY Times Bestselling SERENDIPITY series was such a hit with readers, she brings you back to the picturesque upstate NY town, where three siblings have grown up in the shadow of their proud and respected police chief father. But what do love, fate, and fortune have in store for the next generation of Serendipity's finest?

MIKE

Always feeling like the odd man out in his family, Michael Marsden wanted to make it on his own. So he escaped Serendipity to become an undercover cop in Manhattan, where the Marsden name wasn't known. But Michael's independence is compromised when he returns home to replace his sick father as chief of police. Back in the shadow of his family, he's as lost and restless as ever, until he's challenged by someone he never anticipated.

CARA

Cara Hartley is the Serendipity cop with whom Mike had a one night stand three months earlier. Neither expected anything more but fate has other things in store. When Mike returns as Cara's boss, the sexual tension between them is impossible to ignore - and the unexpected emotional connection continues to grow. But Cara's a small town girl while Mike has a wanderer's blood in his veins.

Together their chemistry explodes but ...

Both are convinced a future together is impossible. Until Mike's real father's secrets come back to haunt him and he realizes there are some things worth staying and fighting for. Including Cara.
