Unexpected Arrival

Autumn Hazard loves being a midwife. But a tragic loss has her doubting the path she's chosen. And her new boss isn't helping. She's worked with Dr. Jonathan Hanlon before, and he's just as handsome and seemingly perfect as ever. His presence could mean trouble for the clinic—and her sensible heart. Jon remembers Autumn, too. She's still beautiful, smart and oblivious to him. Maybe that's for the best—he's leaving the small town as soon as his training's done. Besides, he has secrets of his own, and he can't risk Autumn getting close enough to uncover them. Yet despite all their reservations, working beside each other doesn't feel like work at all...it feels like home.
