The Meaning in the Miracles Jeffrey John

Many explanations of the miracles recorded in the Gospels fall into one of two questionable categories: unthinking acceptance or debunking, which leaves only some vague moral lessons to be learned. In this text, Jeffrey John sets the miracles of Jesus in a wider biblical context and shows them to be loaded with theological and prophetic relevance. This broad perspective, which brings together theological enquiry and the needs of personal faith, should come as a revelation to many Christians searching for a proper understanding of Jesus' miracles.
